

Metro Health – University of Michigan Health  
Child Life Services invites you to attend the

# DIRECTOR / SUPERVISOR'S INTENSIVE EVENT

**METRO HEALTH**  
UNIVERSITY OF MICHIGAN HEALTH

Child Life Services

**Overview:** This is an opportunity for directors, managers and student supervisors from across the region to participate in a series of informational sessions designed to promote continued professional growth.

**Featured Guest:** Matt Maletich, Leadership Development Consultant and Director at Blue Engine Consulting

Matt has an extensive professional history of developing talent for a multi-billion dollar portfolio of companies from all over the world. In 2014 he founded Blue Engine Consulting, an organization that equips future leaders with powerful change management, communication and program design skills. Today, through operations consulting and leadership development programming, Matt and Blue Engine Consulting are driving executives, managers, and high-potential leaders to achieve ambitious business goals and realize their full potential.
