

## **GLACLP Student Symposium Scholarship Application**

The purpose of the GLACLP Student Symposium Scholarship is to assist the child life students interested in obtaining professional training and increased knowledge in the child life field.

Conditions of scholarship:

1. Two scholarships are awarded each academic year to students for the GLACLP annual student symposium.
2. Applicants must be a current GLACLP member.
3. A student is defined as someone who is currently enrolled in an academic institution or has graduated from an academic institution, is looking for a practicum or internship, and/or is currently completing a child life practicum or internship.
4. Scholarship recipients receive the cost of registration and recognition at the symposium.
