Dear GLACLP Community,

The GLACLP and Dayton Children's Hospital planning committee regret to inform you that we are postponing our upcoming Student Symposium and Educator's Meeting scheduled for March 22-23, 2024. Despite our best efforts and enthusiasm for hosting this event, we unfortunately did not receive the number of registrations necessary to responsibly proceed at this time.

We understand that this news may be disappointing, especially to those who were looking forward to participating. Please know that this decision was not made lightly, and we hope to be able to reschedule or offer the content for this event in a different way within the year.

Overall, we have noticed a trend in this year's participation being at an all time low, including:

- Free live webinar in February
- Sunshine Surprise
- Mentor-Mentee Program
- Student Scholarships
- Ask an Expert Student Webinar Series (new this year)

We would greatly appreciate your participation in a brief survey so that we can learn about barriers to participating in events and other opportunities that are provided. Click [here](#) for the short survey.

Any professionals or students who have registered thus far will receive a refund in full for the Student Symposium and Educator's Meeting. If you have any questions or concerns regarding the postponement, please do not hesitate to reach out to us at events.glaclp@gmail.com.

Thank you for your understanding,
GLACLP Executive Board
